

Official Entry Form **Draw “the bug” doing things to prevent the spread of the flu.**

The Rules

- Tulsa area elementary students from 1st - 5th grade are eligible to enter.
- Drawings for the contest should be done on the reverse side of this 11x14" poster that has been provided to each school by Hillcrest and the Tulsa Health Department
- Every Tulsa area elementary school can submit one poster for grades 1-3 and one for 4-5. The maximum number of posters a school can submit is two to be entered in the county-wide competition.
- Each school will select one winner from each grade. The winner from each grade will receive a Don't Bug Me antenna hat.
- Posters will not be accepted after 5pm on Friday, March 24, 2017. Posters can be rolled and mailed in a cylinder poster tube or dropped off at the Hillcrest Communications Department at the address below. If mailed to Hillcrest, the posters should be received by Friday, March 24, 2017.

- If any further materials are needed, please contact the Tulsa Health Department at (918) 595-4402 or the Hillcrest Communications Department at (918) 579-7974.
- Once submitted, posters become the property of Hillcrest HealthCare System and the Tulsa Health Department, and will not be returned.
- Of all the entries submitted, one winner will be selected in each category, 1st-3rd & 4th-5th grade.
- Tulsa area media personalities will judge the poster contest.
- Don't Bug Me flu bug "Louie Achooe" is the mascot for this campaign. Louie helps to creatively distribute the important message of the campaign to students, employers and the community. Through a student's artistic originality and the use of crayons, markers or bright colored paints, the winning posters of this contest will portray Louie demonstrating a specific way in which to avoid the spread of the flu this season, guided by the tips, reminders and visual representation mentioned throughout the course of the campaign.
- Additional notes: no computer-aided entries; each poster must be the student's original concept; no 3-D images.
